While we would love to have lots more golfers and many more door prizes and goodies, our real profit for the [TSUG Scholarship Fund](#) comes from sponsorships and donations. Over **\$18,000 has been awarded in the past two years** to high school students in districts using Skyward Software. Let's make 2010-11 bigger and better! Please assist us in recruiting firms to sponsor holes so that we can make a real difference for the [TSUG Scholarship Fund](#). If you cannot play in the tournament and cannot afford a hole sponsorship of \$150, please consider making a lesser donation. It is tax deductible and good for the professionalism of the organization. We appreciate all of you who have supported our efforts and look forward to your participation in the [5th Annual Texas Skyward User Group Golf Tournament](#).

Thank you,

Scott Weber, TSUG Committee / Conference Coordinator
